PORTEC LEASE CORP.
EQUIPMENT LEASE AGREEMENT

This Equipment Lease Agreement, made this 23rd day of January, 1984, hereinafter referred to as "Lease", between PORTEC Lease Corp. hereinafter referred to as "Lessor", a Delaware Corporation, with offices at 300 Windsor Drive, Oak Brook, Illinois 60521, and Consolidated Rail Corporation, hereinafter referred to as "Lessee", a Pennsylvania Corporation with offices at 1310 Six Penn Center Plaza, Philadelphia, PA 19104.

WITNESSETH

WHEREAS, the Lessee desires to lease the equipment referred to in Schedule A, referred to as "the Units", at the rentals, for the term and upon the conditions hereinafter provided; and

WHEREAS, the Lessor shall acquire the Units from Marmon Transmotive Railway Products Division of Marmon Group, Inc. (the "Manufacturer") under the terms and conditions of this Lease and the Purchase Order Assignment dated as of January 23, 1984;

NOW, THEREFORE, in consideration of the promises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions.

SECTION 1. - DELIVERY AND ACCEPTANCE OF UNITS

1.1 The Lessor will tender each Units to the Lessee per Lessee's instruction. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such unit is found to be in proper operating condition, to accept delivery of such Units and shall be subject thereafter to all of the terms and conditions of this Lease. A Unit accepted by Lessee shall be presumed to be in good, safe and serviceable condition, without exception.

1.2 In the event of notice to the Lessor by the Lessee is given within ten days after acceptance that a Unit was not delivered in good, safe and serviceable condition, the Lessor shall have the right to put said Unit in good, safe and serviceable condition, within a reasonable time, or to cancel the part of this Lease applicable to such Unit.

1.3 Lessor shall not be liable in any event to the Lessee for any loss, delay or damage of any kind or character resulting from defects in, or inefficiency of Units hereby leased.

SECTION 2. - RENT

2.1 Lessee agrees to pay Lessor \$44,265.00 annually in advance, as fixed rental for the Unit for a term of 7 years (84 months).

2.2 Lessee shall make payment of all sums due hereunder to Lessor in U.S. funds at such address as Lessor may direct. Rental payments shall be made annually in advance on or before the last day of January for each year such rental is due.

2.3 The rent amounts payable to the Lessor hereunder shall continue to be payable, in all events, unless the obligation to pay the same shall be terminated pursuant to Section 11 hereof.

2.4 Lessee shall be liable at all times for and shall pay Lessor for payment of (i) all Federal, State or other governmental property taxes assessed or levied against the Unit, (ii) all Federal, State or local sales or use taxes imposed upon or in connection with the Unit, this Lease, or the manufacture, acquisition or use of the Units for or under this Lease, (iii) all taxes, duties or imposts assessed or levied on the Units of this Lease by a foreign country and/or any governmental subdivision thereof and (iv) all taxes or governmental charges assessed or levied upon its interest as Lessee of the Unit. Provided, however, that Lessor make no such payment without first giving Lessee written notice and the opportunity to contest the validity or applicability of the fee, assessment, or tax in any reasonable manner which does not adversely affect Lessor's title to the property or the rights of the Lessor under this agreement.

2.5 It is understood and agreed that Lessor will claim all of the Investment Tax Credit allowed under the U.S. Internal Revenue Code of 1954, as amended, and Lessee hereby agrees, in the event Lessor is prevented by any cause within Lessee's reasonable control from realizing the full benefit of such Investment Tax Credit, to pay as Additional Rent, upon Lessor's demand, a sum which, after deduction of all taxes required to be paid by Lessor in respect of the receipt of such Additional Rent, will equal the amount of such Investment Tax Credit not realized by Lessor. Provided, however, Lessee has not paid Lessor the Casualty Loss Value for that Unit.

2.6 If at the conclusion of any Internal Revenue Service audit, Lessor receives a preliminary or "30 day" letter from the Internal Revenue Service proposing an adjustment in any item that, if agreed to by Lessor, would result in a loss with respect to which the Lessee would be required to indemnify Lessor pursuant to Section 2 or 6 of this agreement, Lessor shall promptly notify the Lessee of such

proposed adjustment and shall furnish to the Lessee a statement describing such Loss in reasonable detail. If requested to do so by the Lessee, within 20 days after receipt of such statement, Lessor shall promptly request from such independent tax counsel as may be selected by Lessor and approved by the Lessee (which approval shall not be unreasonably withheld) (the "Special Tax Counsel"), their opinion as to whether there is a meritorious basis for contesting such proposed adjustment. If the opinion is to the effect that there is a meritorious basis for contesting such proposed adjustment, Lessor shall contest such proposed adjustment beyond the level of the Internal Revenue Service auditing agent by such administrative proceedings, if any, as may be determined by Lessor in its sole discretion. Upon the conclusion of such administrative proceedings, if any, Lessor shall promptly notify the Lessee of the final adjustment proposed by the Internal Revenue Service and, if Lessor receives within 30 days after such notice a written request to do so from the Lessee, Lessor shall contest such final adjustment in a court of competent jurisdiction.

If the Lessee requests Lessor to appeal the decision of such a court or of any intermediate appellate court, Lessor shall promptly request from Special Tax Counsel their opinion as to whether there is a meritorious basis for appealing such decision. If the opinion is to the effect that there is a meritorious basis for appealing such decision, Lessor shall appeal such decision. Lessor, in its sole discretion, shall determine the initial and any appellate court and shall determine whether the proceedings shall be for redetermination of the deficiency proposed to be assessed by the Internal Revenue Service or for refund of taxes paid based on such deficiency. Lessor shall not be required to take any action as set forth in this paragraph unless and until the Lessee shall have agreed to pay to Lessor on demand all reasonable out-of-pocket costs and expenses, including without limitation attorneys' fees and expenses incurred by it in connection with the taking of such action. If Lessor elects to pay taxes based on a proposed deficiency and sue for a refund thereof, and if the proposed deficiency would be a loss with respect to which the Lessee would be required to indemnify Lessor, then the Lessee shall pay to Lessor on demand the amount of such taxes and interest and penalties thereon which Lessor shall have paid, and if Lessor subsequently receives a refund of all or any part of such taxes and interest, it shall promptly pay to the Lessee the amount of such refunded taxes and interest plus the amount of any interest received by Lessor from the United States Government with respect to such refunded taxes and interest. Notwithstanding anything to the contrary contained in this Provision, Lessor may at any time, whether before or after commencing to take any action with respect to a proposed adjustment, decline to take any further action with respect thereto, provided that, if the Lessee has properly requested such action pursuant to this paragraph, Lessor notifies the Lessee that it waives its right to any indemnity with respect to any loss that will result from acceptance of such proposed adjustment.

2.7 This lease is a net lease and the Lessee shall not be entitled to any abatement of rent or reduction thereof, including, but not limited to, abatements or reductions due to any present or future claims of the Lessee against the Lessor under this Lease or otherwise; nor except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss or destruction of all or any of the Units from whatsoever cause, the taking or requisitioning of the Units, by condemnation or otherwise, the lawful prohibition of the Lessee use of the Unit, the interference with such use by any private person or corporation, the invalidity or unenforceability or lack of due authorization or other infirmity of this Lease, or lack of right, power or authority of the Lessor to enter into this Lease, or for any cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events unless the obligation to pay the same shall be terminated pursuant to Sections 11 hereof.

SECTION 3. - TERM OF THE LEASE

The term of this Lease shall begin on the date of delivery of the Units and, subject to the provisions of Section 11, shall terminate January 31, 1991 unless sooner terminated in accordance with the provisions of this document.

SECTION 4. - TITLE TO THE UNIT

4.1 Lessor has full legal title to the Units, and it is understood that Lessee shall acquire no right, title and interest to the Units except as specifically provided hereunder, notwithstanding the delivery of the Units to and the possession and use thereof by the Lessee.

4.2 Lessee shall maintain throughout the term of this Lease any labels which Lessor has affixed to the Units disclosing Lessor's ownership thereof, without material change in their location, legibility or prominence.

SECTION 5. - WARRANTY SECTION TERMS AND CONDITIONS

Lessor hereby irrevocably assigns to Lessee whatever claims and rights the Lessor may have against the Manufacturer under the provisions of the Manufacturer's warranty agreement, and Lessor agrees to execute and deliver such documents as may be necessary to enable Lessee to obtain customary warranty service and servicing obligations furnished by the Manufacturer. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following:

- (a) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Unit or by any inadequacy thereof or efficiency or defect therein or by any other circumstances in connection therewith;
- (b) the use, operation or performance of any Unit or any risks relating thereto;
- (c) any interruption of service, loss of business or anticipated profits or consequential damages; or
- (d) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Unit.

Lessor shall have no liability under this warranty when adjustments, alterations, or repairs to Manufacturer's products have been made or attempted before written notification of alleged defects is given to Manufacturer and its recommendations received and followed.

THE ABOVE WARRANTIES APPLY TO THE LESSEE ONLY AND SHALL BE EXCLUSIVE AND IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED BY LESSOR. UNDER NO CIRCUMSTANCES, WILL LESSOR BE LIABLE FOR COSTS OR EXPENSES IN CONNECTION WITH THE REMOVAL OR REPLACEMENT OF ALLEGED DEFECTIVE PARTS NOR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY TYPE.

SECTION 6. - INDEMNITIES

Lessee agrees to indemnify Lessor and hold it harmless from any loss, expense, or liability which Lessor may suffer or incur from any charge, claim, proceeding, suit or other event which in any manner or from any cause arises in connection with the use, possession or operation of the Units while subject to this Lease, excepting only any such loss, expense or liability which arises solely from Lessor's negligence. The indemnities and assumptions of liability herein contained shall survive the termination of this Lease. Each party shall, upon learning of same, give the other prompt notice of any claim or liability hereby indemnified against.

SECTION 7. - USE AND MAINTENANCE OF UNIT

Throughout the continuance of this Lease so long as Lessee is not in default under this Lease, Lessee shall be entitled to possession and quiet enjoyment from the date the Lease becomes effective as to such Units, provided, however, that Lessee agrees that the Units shall at all times be used (i) in compliance with the terms and provisions of this Lease, (ii) in a careful and prudent manner, solely in the use, service and manner for which they were designed, and (iii) only within the United States unless agreed to in writing by the Lessor.

At all times during the continuance of this Lease, Lessee shall be responsible for all repairs, maintenance, modifications, additions or replacements required to keep the Units in good and safe working order and repair, and as may be required by applicable laws and regulations of any governmental body. All repair work shall constitute accessions to the Units to which made and title thereto shall vest in Lessor.

Lessee shall be permitted with Lessor's consent and at its own expense to make alterations, improvements or additions to the Units which are readily removable without causing material damage to the Units and do not adversely affect any Manufacturer's warranties with respect to such Units. These alterations, improvements and additions, notwithstanding anything in this master lease become the property of the Lessee upon termination of the Lease.

SECTION 8. - LIENS ON THE UNIT

The Lessee shall pay or satisfy and discharge any and all claims against, the Lessee and its successors or assigns which, if unpaid, might constitute or become a lien or a charge upon the Units, any liens or charges which may be levied against or imposed upon any Unit as a result of the failure of the Lessee to perform or observe any of its covenants or agreements under this Lease, however, Lessee shall have the opportunity to, in good faith and by appropriate legal proceedings contest the validity thereof in any reasonable manner which will not affect or endanger the title and interest of the Lessor to the Units. The Lessee's obligations under this Section 8 shall survive termination of the Lease.

SECTION 9. - INSURANCE AND CASUALTY OCCURRENCES

9.1 It is understood and agreed that Lessee will maintain a program of self insurance or risk assumption, whereby, Lessee, at its sole cost and expense, provides for the loss or theft of or damage to the Units for the full replacement value thereof as specified in the Casualty Loss Value Schedule C attached hereto. Lessee shall provide (a) insurance against loss, theft, and destruction or damage of the Units, and (b) comprehensive public liability insurance against claims for personal injuries, death and property damage in no event less comprehensive in amounts and against risk customarily insured against by Lessee in respect of similar equipment owned or leased by it and as is usually carried by Class I railroads. Lessee shall pay applicable premiums for insurance. All proceeds of insurance received by the Lessor with respect to any Unit not suffering a Casualty Occurrence (as hereinafter defined) shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to any Unit with respect to which such proceeds were paid has been fully repaired. Any such proceeds of insurance received by the Lessor with respect to a Casualty Occurrence shall be credited toward the payment required by Subsection 9.3 with respect to such Casualty Occurrence.

9.2 In the event that any Unit shall be or become lost, stolen, destroyed, or in the opinion of the Lessee, irreparably damaged during the term of this Lease, including any renewal term hereunder, or thereafter while the Unit is in the possession of the Lessee, or shall be requisitioned or taken over by any governmental authority under the power of eminent domain or otherwise during the term of this Lease, including any renewal terms hereunder (any such occurrence, except for any requisition which by its terms is for an indefinite period or is for a stated period which does not exceed the term of this Lease, being hereinafter called a Casualty Occurrence), the Lessee shall inform the Lessor in regard thereto and shall pay the Casualty Value (as herein defined) of such Unit in accordance with the terms hereof.

9.3. The Lessee, ~~on the next succeeding rental payment date~~ following its knowledge of a Casualty Occurrence with respect to any Unit, shall pay to the Lessor ~~the rental installment due on such rental payment date for such Unit plus~~ a sum equal to the Casualty Value of such Unit. Upon (and not ^{any} until) payment of the Casualty Value in respect of any Unit and ~~the rental installment due on such payment date~~, ^{then} the obligation to pay rent for such Unit accruing thereafter shall terminate. *WWT*
ju

9.4 Lessor shall, upon receipt of the payments referred to in Subsection 9.3 with respect to a Unit, issue a Bill of Sale to Lessee for such Unit and such Bill of Sale shall reflect the fact that the Unit is sold to Lessee on an "as is", "where is" basis without representation or warranty, expressed or implied.

9.5 The Casualty Values of the Units are provided in Schedule C.

9.6 The Lessee shall bear the risk of loss and, except as hereinabove provided, shall not be released from its obligations hereunder in the event of any Casualty Occurrence to any Unit until payment of the Casualty Value and the rental installments due on and prior to the date of payment of such Casualty Value in respect of such Unit have been made.

9.7 In the event that during the term of this Lease, the use of any Unit is requisitioned or taken by any governmental authority under the power of eminent domain or otherwise for an indefinite period or for a stated period which does not exceed the term of this Lease and no Casualty Value has been paid to Lessor. The Lessee's obligation to pay rent shall continue for the duration of such requisitioning or taking. The Lessee shall be entitled to receive and retain for its own account all sums payable for any such period by such governmental authority as compensation for such requisition or taking for such period, and the balance, if any, shall be payable and retained by the Lessor as its sole property.

SECTION 10. - INSPECTION

Lessor may, at its own cost and expense, inspect the Units from time to time wherever it may be, upon written notice to Lessee. The Lessee shall, upon request of Lessor, but no more than once every year, furnish to Lessor its certified inventory of all the Units then covered by this Lease.

After giving Lessee reasonable notice, the Lessee will permit the Lessor, at Lessor's risk and expense, to visit and inspect any of the properties of the Lessee in order to examine and inspect all Units covered under this Lease, all at such reasonable times and as often as may be reasonably requested, provided, that Lessor shall be responsible for any and all damage and liabilities created or caused in such inspection, visit or entering.

SECTION 11. - RETURN OF UNIT

Upon the expiration or termination of this Lease with respect to any Unit (other than pursuant to Paragraph 9 hereof), Lessee shall at its sole cost and expense forthwith surrender possession of such Unit to Lessor by delivering same to Lessor on Lessee's rail system.

Each Unit so surrendered shall be in the same or as good condition, order, and repair as when delivered to Lessee, wear and tear from ordinary use and the passage of time excepted, and shall be in need of no repairs when delivered Lessor pursuant to this section. If the Unit are not tendered to Lessor, Lessee shall continue to be liable for and shall pay rental at the rate being paid immediately prior to termination or expiration, and Lessee shall in addition make all other payments and keep all obligations and undertakings required of Lessee under any and all provisions of this Lease as though such termination or expiration had not occurred. If Lessor shall so request, Lessee agrees to provide storage at Lessee's expense for any or all of the Units for up to 90 days after the end of the term. Nothing in this section shall give Lessee the right to retain possession of any Unit after expiration or termination of this Lease with respect to such Unit.

SECTION 12. - DEFAULT

12.1 Any of the following events shall constitute an Event of Default hereunder:

- (a) Default shall be made in the payment of any part of the rental or other sums provided as provided in this Lease and such default shall continue for ten days after telephone notice; or

- (b) Default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein and such default shall continue for 10 days after written notice from the Lessor to the Lessee, specifying the default and demanding the same to be remedied; or
- (c) A petition for reorganization under Title 11 of the United States Code, as now constituted or as said Title 11 may be hereafter amended, shall be filed by or against the Lessee and (unless such petition shall have been dismissed, nullified, stayed, or otherwise rendered ineffective but then only so long as such stay shall continue in force or such ineffectiveness shall continue) all the obligations of the Lessee under this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees within 30 days after such appointment or 60 days after such petition shall have been filed, whichever shall be earlier.
- (d) Any other proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions, or extensions (other than a law which does not permit any readjustment of the indebtedness payable hereunder) and (unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective but then only so long as such stay shall continue in force or such ineffectiveness shall continue) all the obligations of the Lessee under this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment or 60 days after such proceedings shall have been commenced, whichever shall be earlier.

12.2 If any Event of Default has occurred and is continuing, the Lessor may at its option may:

- (a) Proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or
- (b) By notice in writing to the Lessee, terminate this Lease, whereupon all right of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon, the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be located and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purpose whatever. Lessor shall be liable for any damage to property of the Lessee incurred in such entering. All costs and expenses in repairing Lessee's property shall be borne by Lessor. However, the Lessor, shall, nevertheless, have a right to recover from the Lessee any and all amounts which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by a fraction of which the numerator is such accrued number of days in such full rental period and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum with respect to each Unit, which represents the excess of the present worth, at the time of such termination, of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease over the then present worth of the then fair rental value of such Unit for such period computed by discounting from the end of such term to the date of such termination rentals which the Lessor reasonably estimates to be obtainable for the use of the Units during such period, and (ii) any expenses including reasonable attorney's fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease, other than for the payment of rental.
- (c) Lessor shall proceed in a commercially reasonable manner in exercising any of the remedies available under the Lease. Lessor shall make every reasonable effort to mitigate Lessee's damages.

12.3 The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies in its favor existing at law or in equity.

The Lessee hereby waives any and all existing or future claims of any right to asset any off-set against the rent payments due hereunder, and agrees to make the rent payments regardless of any off-set or claim which may be asserted by the Lessee on its behalf in connection with the lease of the Units.

12.4 The failure of the Lessor to exercise the rights granted it hereunder upon any occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

SECTION 13. - RETURN OF UNIT UPON DEFAULT

13.1 If the Lessor or the Assignee shall terminate this Lease pursuant to Section 12 hereof, the Lessee, at its expense, shall forthwith deliver possession of the Units to the Lessor at the place designated.

13.2 The delivery of the Units as hereinbefore provided is of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to deliver the Units.

13.3 Without in any way limiting the obligations of the Lessee under the foregoing provisions of this Section 13, the Lessee is obligated to deliver possession of any Unit to Lessor, to demand and take possession of such Unit in the name of and on behalf of the Lessee from whosoever shall be at the time in possession of such Unit.

SECTION 14. - SUBLEASE AND ASSIGNMENT

Lessee shall not assign or sublease or loan any of the Units without the prior written consent of Lessor whose consent will not be unreasonably withheld. All rights of Lessor under this Lease may not be assigned, pledged, mortgaged, transferred, or otherwise disposed of either in whole or in part without prior written consent of Lessee whose consent will not be unreasonably withheld.

SECTION 15. - INTEREST ON OVERDUE RENTALS AND AMOUNTS PAID BY LESSOR

Unless otherwise stated herein, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay an amount equal to interest at a

rate of 18% per annum or such lesser amount as may be legally enforceable on the overdue rentals and other obligations for the period of time during which they are overdue.

SECTION 16. - OPTIONS TO PURCHASE AND RENEW

16.1 Provided that this Lease has not been earlier terminated and Lessee is not in default hereunder, Lessee may by written notice delivered to Lessor not less than six months prior to the end of the original term of this Lease, elect to renew the term of this Lease in respect of all but not fewer than all the Units then covered by this Lease, for two (2) additional one (1) year periods commencing on the scheduled expiration of the original term, at the then Fair Market Rental for such Unit.

16.2 Provided that the Lessee is not in default, the Lessee shall have the option to purchase the Unit(s) at the expiration of this agreement for the then Fair Market Price for such Unit(s).

16.3 Unless the Lessee has elected the option as referred to above, all of such Units shall be returned to the Lessor at the end of the original term, in accordance with Section 11 hereof.

SECTION 17. - MISCELLANEOUS

17.1 Any notice or consent required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, addressed as follows:

If to the Lessor:

PORTEC LEASE CORP.
300 Windsor Drive
Oak Brook, Illinois 60521

If to the Lessee:

Consolidated Rail Corporation
1310 Six Penn Center Plaza
Attention: Assistant Treasurer-Finance
Philadelphia, PA 19104

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

17.2 This Lease, and any lease supplemental hereto, may be executed in several counterparts, each of which so executed shall be deemed to be an original and in each case such counterparts shall constitute but one and the same instrument.

17.3 This Lease shall be construed in accordance with the laws of Pennsylvania; provided, however, that the parties shall be entitled to all rights conferred by any applicable federal statute, rule or regulation.

17.4 This Lease shall be and become effective upon execution hereof by Lessor.

17.5 Lessor represents and warrants that Lessee shall have a right to quiet enjoyment of the equipment covered under this Lease and its schedules. It is understood and agreed that Lessee's obligation to pay rent is unconditional so long as Lessee's use and possession of the equipment is not disturbed by Lessor or its successor assigns, and Lessee is not in default under Section 12 of the Lease.
